

# COVID-19 Policy

## INTRODUCTION

In the current COVID-19 pandemic, U3A Knox Inc. members are particularly vulnerable and the association must exercise diligence and care to minimise the risk of its members being infected with the virus.

## POLICY STATEMENT

U3A Knox Inc. complies with all State Government and Council regulations in regard to COVID-19 attendance in courses and activities particularly in regard to vaccination status.

To this effect, the following rules regarding entering our buildings and participation in activities apply:

1. All face-to-face activities must be held in accordance with State Government and Council restrictions.
2. Only fully vaccinated members and visitors will be able to enter the buildings managed by U3A Knox Inc.
3. Only fully vaccinated members and visitors can participate in face-to-face activities held indoors.
4. Tutors of outdoor activities may choose to only accept fully vaccinated members and visitors to participate in the groups they lead.
5. Members must indicate their vaccination status at the point of enrolling in courses.
6. All class participants in a course that requires full vaccination must show their proof of vaccination to the Tutor or COVID-19 marshal prior to participating in the first class of the term. This can only be achieved by showing either their COVID-19 digital certificate or their immunisation history.
7. Tutors of courses that require vaccination must show their vaccination status to an Office Manager or to the Course Coordinator when requested.

These rules will be updated as Government regulations are updated.
